Reverse Advent Calendar Food Drive

What is a reverse Advent calendar? The idea is to set aside one non-perishable food or toiletry item each day during Advent. Advent begins on Sunday November 27 and ends on Christmas Eve. Because many people may be out of town on Christmas, we ask that you hold your items until Sunday, January 1. Please bring your boxes, bags, or baskets to the Fellowship Hall. Items that are always in need are: canned chicken, soup, chili, canned milk, spaghetti sauce, healthy cereals, peanut butter, jelly, canned fruit, and canned beans. Toiletry items such as toothbrushes and toothpaste are also needed.

Crisis Bread Basket is very excited about this because their supplies become depleted after the holidays.

Ornament-making Workshop

Ladies, are you looking for a meaningful way to start the Advent season and a relaxing way to unwind? Then come to an ornament-making workshop Wednesday, November 30, 6:00-8:00 p.m. in the WPC library. All women at WPC are invited, and guests are also welcome. It will be a fun way to get to know each other better as well as an opportunity to give to others. All supplies will be furnished, but we need a count of participants.

Reserve your place by texting or emailing:
